Last month at the Center...

On April 11, Debbie Combs from Ohio's Help Me Grow Program was hosted in our speech staff meeting. We discussed early intervention services and learned about their evidence-based services that promote healthy growth and development for babies and young children.

[Click here to learn more!](#)

On April 11, our speech staff meeting hosted Occupational Therapist Terri Heaphy who presented a three part Sensory Processing continuing education series. The staff enjoyed learning about sensory processing and integration by getting hands on opportunities to explore different sensations through play.

The speech department is so excited to have won some new therapy materials from a raffle at OSHLA!

Upcoming events

May Chatterboxes

Join us for a Chatterbox! Chatterboxes are opportunities for parents to talk to

professionals about their child's speech-language development.

Our May Chatterboxes are conveniently located all over Columbus at libraries, play cafés, recreation centers, and even COSI! Click below to see what time and place could work for you and your family.

[Click here for the Chatterbox Calendar >](#)

A monthly National Stuttering Association (NSA) Columbus Chapter meeting is held at Columbus Speech & Hearing Center on the first Thursdays of each month at 7:00PM. The group is geared towards adults who stutter, family members of people who stutter, and SLPs with a special interest age 18 and older. We hear stories and gain perspective towards the quality of life of people who stutter and their loved ones.

Please contact Anna Lichtenstein at alichtenstein@columbuspeech.org or co-leader Jaime Habing at jmhabling@yahoo.com with any questions or concerns.

Summer Groups!

This summer we will be offering several different groups for children including: JAM, Fun With Friends, Tiny Talkers, Motor Mouth, and Let Me Finish. To register or for more information call 614-263-5151.
