

We Improve Communication for Life

**WELCOME BACK!!!**

## **SOFT REOPENING OF IN-CLINIC SPEECH THERAPY SERVICES STARTING JUNE 8**

**CALL 614-263-5151 TO SCHEDULE!**

### **What speech services will be offered in-clinic starting June 8?**

#### **New Client Evaluations:**

- We are scheduling new client in-clinic evaluations. These clients then may transition to teletherapy for ongoing therapy services if eligible.

#### **Current/previous clients whose services are "on hold":**

- Current/previous clients who have been on hold since our temporary closure and who were not eligible for teletherapy services, may now resume individual in-clinic services, if appropriate. See CSHC's new safety guidelines and services to see if in center services are an option for you.

#### **Summer Individual Therapy:**

- Individual summer speech teletherapy can be an important boost to speech/language skills, especially for students who receive therapy in a group setting during the school year. These clients, who are not eligible for teletherapy services, may be seen in-clinic.

### **What speech services will continue via teletherapy?**

#### **New Client Evaluations:**

- We are scheduling new client tele-evaluations. These clients then may transition to teletherapy for ongoing therapy services if eligible.

#### **Current Teletherapy Clients:**

- If you are currently receiving teletherapy, we plan to continue our individual teletherapy services through June 30<sup>th</sup>. CSHC will keep you informed if this date is extended.

#### **Summer Groups:**

- Tiny Talkers – for children ages 2-3 years old improving expressive language skills
- JAM – for children ages 3-6 years old improving social interaction skills
- Fun With Friends – for children ages 5+ improving peer relationships
- Motor Mouth – for children ages 4+ improving sound productions/articulation

#### **Summer Individual Teletherapy:**

- Individual summer speech teletherapy can be an important boost to speech/language skills, especially for students who receive therapy in a group setting during the school year.
